About This Game

“M.A.D. Cliff - All Quiet On The Bridge” - is an arcade FPS, delivered by the means of VR. Delve in the atmosphere of a ruthless and unforgiving world filled with mystical creatures, where you are the only hope of the local population, the protector, the foretold mage wielding spells of legend.

The game, puts you in the shoes of a legendary battle mage, with the goal of protecting the local city and purge the legendary beasts who threaten the locals
From a young age, your kind has been trained in the art of magic, to fulfill your destiny.

You are beyond a mere human, with countless spells at your disposal, it’s only a matter of whether you can use your power properly.
Create your own legend, walk the path of a conqueror who forced even the mighty dragons into submission.

Use various spells and exploding projectiles to destroy the attacking hordes
A skilful gameplay is going to be rewarder with achievements, of which were are plenty to unlock.
The best scores are going to be displayed on the leaderboard.

Test Your Might
Once you begin to get used to the game’s difficulty, make sure to change the difficulty levels: Easy, Normal & Hard.

The arcade Arena mode is endless, with endless waves of enemies swarming the battlefield as well as challenging boss fights
Might be a good idea to take advantage of the thought out bonus system:

- X2 Points Multiplier

- Mercenary-companion Summon
- Up to 3 Mercenaries Summon
- Protective Dome
- Uninterrupted attack (after gathering hold the trigger to activate)
- Extra life (useful feature when the game becomes very tough)

THE TIME HAS COME, THE QUESTION IS
DO YOU HAVE WHAT IT TAKES TO BECOME A LEGEND?
