Developer:
Mega Crit Games
Release Date: 14 Jun, 2018

b4d347fde0

English,Simplified Chinese,French,German,Korean,Russian,Japanese,Norwegian,Polish,Thai,Ukrainian

Initially I didn't really think much of StS's soundtrack, thinking that it was "just okay" and "kinda generic", but over the months it really grew on me, and now I really like it, so I'm happy to see a release of it now!

It's very symphonic, nd evocative of classic fantasy, and fits the game's slow pace rather well, and each theme perfectly suits the situation it was designed for, whether it's the main menu theme, the level themes, the boss themes, or any other of the myriad tracks on offer. Well worth the purchase!
